

# WA PLASTICS BAN

Business Engagement Program

**From 1 July 2022, disposable plastic straws and cutlery are banned in WA.**

**To further reduce our impact, we now provide non-plastic straws or cutlery on request only.**

Many of our customers find they don't need disposables, especially if they are taking food home or back to the office. If you do need these items, please ask our team.

# **WA** PLASTICS **BAN**

Business Engagement Program

**From 1 July 2022, businesses in WA are banned from supplying certain plastic items.**

We ask for your understanding and patience as we may need to remove product ranges or replace them with available alternatives.
